**Foreword**

Education is the main tool for the development of the society especially for the children of the Scheduled Castes who also suffer from educational and social backwardness arising out of age-old practice of untouchability and social isolation. The commitment of our country to the education of SC/ST children is laid down in Articles 15(4), 45 and 46 of the Indian Constitution. Since independence several strategies have been formulated for sustainable educational development and many programmes and schemes have been implemented with a view to bridge the educational backwardness of Scheduled Castes and others.

This Commission and its 12 State Offices have been receiving a large number of grievances regarding non-payment of tuition fee & post matric scholarships to the Scheduled Caste students. While the Commission has taken up all such cases with the concerned departments of the State Governments and Union Territories, we decided to conduct a comprehensive study of all such cases so that the problems are clearly identified and recommendations can be made for their resolution.

It was seen that either the scholarships are not received or received very late by the students, the students had to initially deposit the fees and then wait for reimbursement, which was either delayed or not received at all. Differences in the fee reimbursed and fee actually paid by the students, lead to the students being burdened by the differential amounts. There are problems associated by the online systems of scholarship disbursements.

We have given detailed recommendations on these aspects and also indicated best practices of some State Governments.

Ms. Sandhya Gaur and Ms Sangeeta Jhakar, interns at NCSC, worked with the NCSC Secretariat on the compiling of the voluminous data and finalizing of this report.

**NCSC Report : Problems faced by Scheduled Caste students in obtaining Scholarships - 2016**

**1. Introduction**

Education is the main tool for the development of the society and the children belonging to Scheduled Caste & Scheduled Tribe Community have been historically excluded from formal education – the former due to their oppression under caste feudal society and the latter due to their spatial isolation and cultural difference between and subsequent marginalization by dominant society. The framers of our Constitution took note of the fact that certain castes in the country were suffering from educational as well as social backwardness arising out of age-old practice of untouchability and social isolation. Education is a must for their overall empowerment including economic upliftment.

The commitment to the education of SC/ST children is laid down in Articles 15(4) 45 and 46 of the Indian Constitution. Article 15(4) underscores the State’s basic commitment to positive discrimination in favour of the socially and educationally backward classes and/or the SC and ST. Article 45 declares the State’s endeavour to provide free and compulsory education for all children until they complete the age of 14 years. Article 46 expresses the specific aim to promote with special care the educational and economic interests of SC/ST. In its effort to offset educational and socio-historical disadvantage, the Indian State conceived a range of enabling provisions that would facilitate access to and ensure retention of SC and ST children in school. The focus was on making available basic educational facilities such as schools especially in remote areas and providing scholarships for a society that had lived for a millennium by a value system based on division and hierarchy. Since independence several strategies have been formulated for sustainable educational development and many programmes and schemes have been implemented with a view to bridge the educational backwardness of Scheduled Castes and others.

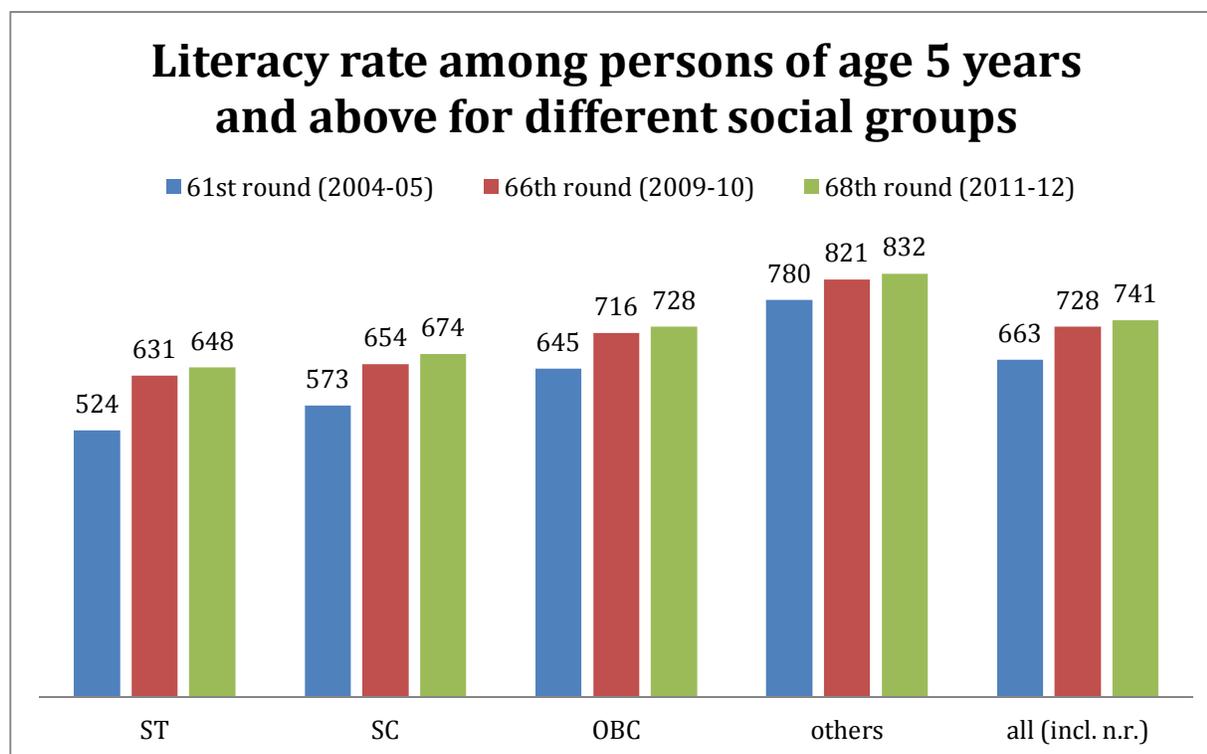

## 2. Education indices<sup>1</sup> of Scheduled Castes:

While the literacy rate of Scheduled Castes has risen from 54.70 to 66.10<sup>2</sup> it is still low when compared to that of the total population, which has risen from 64.8 to 73 between 2001 to 2011. The literacy rate of Scheduled Caste Women is even lower.

The empowerment of the scheduled castes through education seems to have so far not resulted in any significant change since the gap has remained almost constant. This is shown in the graph below:

**Graph 1**

**Literacy rate among persons of age 5 years and above  
for different social groups**

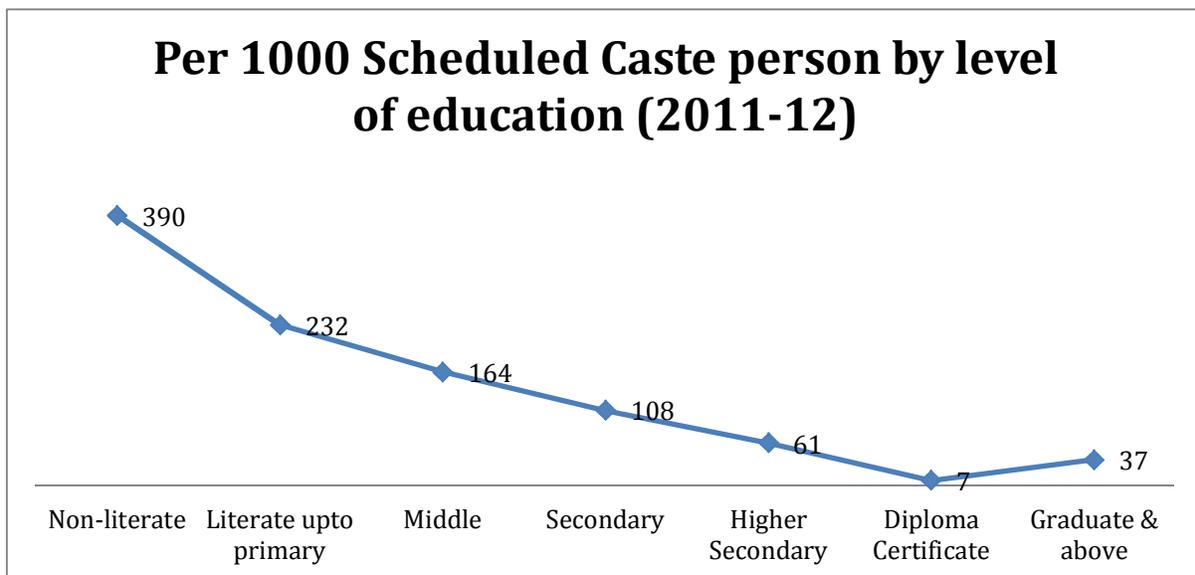

Further, as per the NSSO data, there is a substantial reduction in the proportion of scheduled caste population opting for diploma certificates between 1999-2000 and 2011-12 as the number

<sup>1</sup> Source: NSSO 61,66,68 round

<sup>2</sup> Census 2011 data

corresponding to this has reduced by 75% in the concerned period (29/1000 to 7/1000). Also, the number of SC graduates and above(per 1000 SC population) have also seen a decline between 2009-10 and 2011-12 (54/1000 to 37/1000). With such a low proportion of Scheduled Caste graduates and diploma holders, the rise of the Scheduled Castes to a higher Socio –economic level in the society does not appear feasible as access to the higher and better paying jobs to majority of the SC population will not be possible. The details are shown below<sup>3</sup> :

**Graph 2**  
**Per 1000 Scheduled Caste person by level of education(2011-12)**

The above graph clearly shows that the proportion of scheduled caste population graduating with professional degrees or higher academic qualifications that provides them opportunity to increase their socio-economic level is very low. Therefore, one may argue that

- there is very small stable well educated / professionally qualified layer in the scheduled caste population;
- the large percentage of SC population is either illiterate ( 390 out of every 1000 SC) or primary level literate ( 232 out of every 1000 SC). Hence more than 50 % of the SC population can have access to only the most menial and low paid jobs.

---

<sup>3</sup> Source: NSSO 68<sup>th</sup> Round

- Only 44 out of every 1000 SC can have access to the skilled and comparative higher paying jobs as they have either degrees or diplomas.

### **3. Why the study**

This Commission and its 12 State offices have been receiving a large number of grievances regarding non-payment of tuition fee & post matric scholarships to the Scheduled Caste students. The Commission and its State Offices has taken up all such cases with the concerned departments of the State Governments and Union Territories. The details of the number of complaints received in the Commission are given at **Annexure - 1**.

It was seen that either the scholarships are not received or received very late by the students. The students had to initially deposit the fees and then wait for reimbursement, which was either delayed or not received at all. The Commission noted the high number of such cases and decided to conduct a comprehensive study of all 551 such cases in the Commission so that the problems are clearly identified and detailed recommendations can be made to the Governments so that SC students do not suffer.

## 6. System of release of scholarships in the States:

In order to get an idea of the process, the Commission examined the procedure for release of the pre and post matric scholarships in various States. The processes followed in brief are as follows

### 6.1 NCSC State office: Agartala (State covered: Tripura)

- System of release of scholarship/tuition fee reimbursement to SC students:
- Four Scholarship schemes are implemented through DBT portal with applications uploaded by institutions / colleges. Payment is through PFMS portal.
- There are district scholarship verifier committees with the district welfare officer, district education officer and head of the institution of university/college.

- Scholarship schemes for schedule castes have been implemented as per the guidelines of Ministry of Social Justice and Empowerment, Government of India.
- As per the guidelines, regarding reimbursement of fees, it is mentioned here that ‘scholars will be paid enrollment/registration, tuition, games, union, library, magazine, medical, examination and such other fees compulsorily payable by the scholar to the institution or university/board. Refundable deposits like caution money, security deposits will however be excluded.

**6.2 NCSC State office: Guwahati (State covered: Assam)**

- System of release of scholarship/tuition fee reimbursement to SC students:
- The students apply for scholarship/tuition fees reimbursement through the head of institution where they are pursuing studies. After verification, the head of the institution forward their applications to the Director of Welfare of Scheduled Castes, which is implementing agency for schemes.
- The Directorate then scrutinizes the application and a list of eligible candidates is made institution wise and release scholarship/tuition fees to the head of institution.
- The institution then makes payment to the students.

**6.3 NCSC State office: Hyderabad (States covered: Telangana ,Andhra Pradesh, Madhya Pradesh and Chhattisgarh)**

**6.3.1 Telangana and Andhra Pradesh**

System of release of scholarship/tuition fee reimbursement to SC students in brief:

- Telangana and AP have designed e-pass, a web based scholarship sanction and monitoring system.
- Students have to apply online and after verification money is transferred directly into SB account of students. Government facilitates to get account opened on zero based SB mode with no restriction of minimum balance.

**Time Lines :**

- Student: Submission of application online within one month from the date of admission.

- College: The Principal should issue bonafide certificate on the same day of submission of application form (hard copy) in the college.
- Physical Verification: Twice in a year
  - Within one month of re-opening of college
  - Within one month from the last date of closing of Admissions

**Online recommendation within one week after verification.**

- Accounts Officer: Bills submission- 16th to 18th of every month.
- D.T.O.: Passing of Bills & sending of cheques to Nodal Banks directly by 25th of every month.
- Nodal Bank: Credit to Accounts- 1st of every month.

The entire process should be completed within one month of submission of application.

**Status :**

**6.3.1.1 Telengana :**

Year	Number of students applied(Fresh & Renewal)	Total No. Sanctioned	Total No. Disbursed	No. left over if any(Col. 2-4)
2014-15	245787	241547	241547	4240
2015-16	231339	207962	207962	23377

- 4240 students were left during 2014-15 and 23377 are left during 2015-16.
- Arrears will be paid to them as and when all cases are verified online. There is no fund crunch.
- Reasons for leftover are technical reasons like linking of Aadhar, matching of EAMCET details, discrepancy in verification by college , mistakes in application and system errors etc.

**6.3.1.2 Overseas Scholarship:**

- Telengana, has a special scheme for providing overseas scholarships for SC students. Under Ambedkar Overseas Vidya Nidhi (AOVN) scheme 160 SC youths were sent abroad for pursuing higher degrees. Applications of another batch of 63 students is reported to be in process with scholarship amount Rs. 20.00 lakh per student.

### 6.3.2 Andhra Pradesh

#### 6.3.2.1 Status :

Year	Number of students applied(Fresh & Renewal)	Total No. Sanctioned	Total No. Disbursed	No. left over if any
2014-15	307823	288919	284635	4284
2015-16	311659	291893	266198	25695

### 6.3.3 Chhattisgarh:

- There is an integrated e-Governance Portal for the automation, streamlining & effective management of processes related to application receipt, processing, sanction and disbursement of various scholarships to Students.
- SC/ST/ OBC students access the State scholarship portal using user id and password.
- If any student is left out of online registration they are covered under offline mode.

#### 6.3.3.1 Status :

Year	Number of students applied(Fresh & Renewal)	Total No. Sanctioned	Total No. Disbursed	No. left over if any
2014-15	95135	89001	89001	0
2015-16	90158	86084	85880	204
Total	185293	175085	174881	204

We observe that during 2014-15 there is no backlog/left out students whereas 204 students have been left out in 2015-16. It was clarified that these 204 students also will be given scholarship from State Government funds, without waiting for GOI funds along with current year applicants.

Non –receipt of amount from GOI is pointed out as biggest reason for delay in disbursement.

### 6.3.4 Madhya Pradesh:

- MP has an integrated e-Governance Portal for the automation, streamlining & effective management of processes related to application receipt, processing, sanction and disbursement of various scholarships to students.

- This initiative is aimed to facilitate faster and efficient disposal of scholarship applications and timely payment of the scholarships to the students directly in their bank accounts.
- There is also a *mScholarship Mitra* mobile app .

#### 6.3.4.1 Status :

Year	Number of students applied(Fresh & Renewal)	Total Sanctioned No.	Total Disbursed No.	No. left over if any
2014-15	295666	286791	286791	nil

**6.12 NCSC State office: Chennai (States covered: Tamil Nadu and UT of Puducherry )**

- **Fee Structure:** For Government, Government Aided Institutions, scholarship is paid as per the fee structure approved by Government. For Self-Finance Colleges, fee is fixed by the Fee Fixation Committee appointed as per directions of the Hon'ble Supreme Court.
- **Scholarship:** Scholarship is given for students who are studying in recognised post matriculation or post secondary courses pursued in recognised institutions only. In respect of Self Finance Colleges, Maintenance Allowances are paid to the student's bank account through ECS. Course Fees are compensated to the respective institutions through ECS. In respect of Government / Government Aided, all compulsory and non-refundable fees payable by the students alongwith Maintenance Allowance are paid to the student's bank account through ECS.
- **Process:** On behalf of the students, respective education institutions are entering the applications through online. Fee structure for Government, Government Aided are updated by Institutions and verified and approved by District Officers. After verification, District Officer sanctions and forwards applications of Government and Government Aided colleges to Welfare Directorate for disbursement through ECS.
- In respect of Self Financed Institutions, the District Officers forward the applications submitted by the Institutions to the respective Heads of Educational Departments like DOTE for Engineering courses, DME for Medical courses etc., after verification of the uploaded documents such as Caste Certificates, Income Certificates and signed copy of the application form. The Head of the Department verify details such as College Recognition, Course Affiliation and admission mode of the student which determines the course fee amount. Once Head of the Department approves and sanctions the scholarship, it is escalated to the Directorate of Adi Dravidar / SC Welfare for disbursement through ECS.

## 8. Findings :

- The Commission noticed that the systems for the payment of scholarships appear to work most efficiently in Andhra Pradesh , Telengana , Karnataka as there are very few complaints of non receipt of scholarships from students in these States in NCSC.
- These State governments also have a working grievance redressal model as can be seen in the resolving of the nativity problem caused by the bifurcation of the State of Andhra Pradesh.

### 8.1 Best practices :

- Chattisgarh has developed a method to cover students that are left out of the online process by an offline method.
- Tripura has organized several awareness / workshops with all the involved users have been done in phased manner and time was extended for uploading/verification etc.
- Gujarat provides a Free ship card to SC students for admission on ‘zero fee’ basis.
- Bihar has set up a toll free number for any information/queries relating to scholarship.

- Telengana and Karnataka have special schemes for providing overseas scholarships for SC students. In Telengana under Ambedkar Overseas Vidya Nidhi (AOVN) scheme 160 SC youths were sent abroad for pursuing higher degrees. Applications of another batch of 63 students are reported to be in process with scholarship amount Rs. 20.00 lakh per student. In Karnataka full fees, travel expenses etc. for SC students pursuing higher degrees abroad are met by State Government and the same has gone up to even Rs. 1 crore per student.

## **8.2 Problems:**

The problems faced by the students in receiving the scholarship / fee reimbursement are detailed State wise below :

### **8.2.1 States : Andhra Pradesh and Telengana**

- After bifurcation of the erstwhile Andhra Pradesh into Andhra Pradesh and Telengana there are many complaints of e-pass not accepting PMS registration due to nativity issue. Nativity is defined as when a student should study continuously in any district of Andhra Pradesh or Telengana to get nativity of that State.  
For example: If a student studied in Khammam District of Telengana but is a native of Andhra Pradesh , then e-pass system will create problem.

### **Action taken by State Government to resolve problems :**

These issues are being sorted out at State level by Scheduled Caste department.

### **8.2.2 States: Bihar and Jharkhand**

- Misappropriation of scholarship amount.
- Candidate not found genuine.
- Application not submitted to college.
- Slow pace of physical verification by State Government agencies leading to delays.
- Scholarship to 85653 students was released scholarships out of 89934 students registered in 2014-15 only in 2016-17.

- Scholarship to 72058 students was released scholarships out of 91114 students registered in 2015-16 only in 2016-17.
- Verification for the remaining 4281 students of 2014-15 and 19056 students of 2015-16 is still ongoing.
- It is seen that in majority of cases, payment of scholarship has either been delayed or not paid due to not uploading of the data by the institute/DIOS.
- The other reasons for non-payment of scholarship are wrong account number or IFSC code or Bank.
- The payment of scholarship is the responsibility of the State Govt. In all these cases, due to delays in verification process of the Department and institutions, the payments could not be made in time and there is no fault of these students.
- In some cases, the marksheet and degree were also not released to the SC students by the Institute due to non-payment of fee. Therefore, SC students are deprived of their study in the field of higher education or could not apply for their career anywhere.
- In some cases, the institutes were blacklisted therefore scholarship are not released. Thus SC students are the sufferers.

**Case study :** 60 SC students belonging to Bihar of Rajdhani Engineering College, Bhuvneshwar, Odisha threatened suicide due to non release of their scholarship of 2013-2014 & 2014-15. After intervention of NCSC , the Department of SC/ST Welfare Government of Bihar, reported that it has released Rs. 51,58,830/- as scholarship to 80 students out of total 83 students of Rajdhani Engineering College.

### **8.2.3 State : Karnataka**

- Delay in disbursement of scholarship.

### **8.2.4 State : Kerela**

- Technical problems / delays in online uploading .
- Education assistance for self financing unaided institution is not admissible.
- Non-availability of caste certificates.

### **8.2.5 State : Tripura**

- The cases in which the scholarships were released by the social welfare department but due to error in the bank account or IFSC code, the scholarship could not be given to the students
- In some cases data could not be uploaded due to technical problems, therefore, the scholarships were not released to the SC students as the online application for PMS has been introduced in Tripura for the first time.

**Action taken by State Government to resolve problems :**

- Several awareness / workshops with all the involved users have been done in phased manner.
- Time was extended for uploading/verification etc.

**8.2.6 State: Uttar Pradesh**

The Scheduled castes students could not get fee & compensation due to the following reasons.

- Data for scholarship i.e. tuition fee and compensation to the Scheduled Caste student was not uploaded on the last date of application.
- The District Scholarship Committee rejected the case due to non-availability of Caste Certificates and income certificate etc. of the SCs Students.
- The cases in which the scholarship were released by the Social Welfare Department but due to error in the bank a/c or IFSC code, the scholarship could not be given to the students.
- In some cases the data could not be uploaded due to technical problems, therefore, the scholarship was not released to the SC students.
- In some cases, the marksheet and degree were also not released to the SC students by the Institute due to non-payment / non reimbursement of fee. Therefore, SC students are deprived of their study in the field of higher education and / or could not apply for their career advancement anywhere.
- In cases where the Institutions did not receive fee reimbursement, the students were not allowed to appear for exams or their mark sheets were withheld.

**Case Study :** In B.Ed courses in Private Institutions , the fees charged<sup>6</sup> by the institutions ( as per orders of Hon'ble High Court) is higher than the prescribed fee which is reimbursed<sup>7</sup> by the Government of Uttar Pradesh ( GoUP). Hence students have to bear the difference (Rs 21,750/- per student) thus negating the concept of 'zero fee ' study. In one specific case<sup>8</sup> even this lower approved prescribed fee reimbursement and also the scholarship<sup>9</sup> was not received by the students / institute, with the result that the students were not permitted to appear in the exams.

#### **8.2.7 State: West Bengal**

- There are no Scholarship committees in districts
- Late sanction of scholarship.
- Late submission of application
- Non availability of caste certificate
- Misplaced hard copy of application

#### **8.2.8 State : NCT of Delhi**

- Lists do not contain the names of all the schools.
- Wrongful submission of documents.
- Cases not under the jurisdiction of Directorate of Education
- Non-submission of required documents.
- Late submission of documents.
- Scholarship amount not released by the university.

#### **8.2.9 State : Haryana**

- Scholarship amount not released by the concerned authority in college and not paid to students.
- Institute's name not uploaded on the scholarship portal.
- Fee not reimbursed by Social welfare Department
- Scholarship amount was returned to treasury.

#### **8.2.10 State : Gujarat**

---

<sup>6</sup> fee charged by Institutions for B.Ed courses : Rs 73000/- per student

<sup>7</sup> prescribed fee reimbursed by GoUP : Rs 51,250/- per student

<sup>8</sup> Name of College : Chet Ram Sharma College of Education, Noida.

<sup>9</sup> Scholarship : Rs. 6600/- per SC student

- Institutes was not updated in scholarship portal.

**Case Study :** 56 Institutes in 11 districts are affiliated to an institution<sup>10</sup> running courses which are not recognized . Scholarship to SC students studying in these Institutes has not been released for past 3-4 years.

### **8.2.11 State : Rajasthan**

- Error in bank details.
- Some of the institutes are not registered but students take admission in them in ignorance, so they are not getting Scholarships.
- The students from other States (not domicile of Rajasthan) take admissions in State institutes are paid scholarship / reimbursements from their home State which may have lower rates of reimbursement, so the student does not receive full payment of fees paid.
- Many students are unaware of the scholarship schemes and hence they are paying the full fees.

### **8.2.12 State : Punjab**

- Due to late submission of Utilization Certificates by the State Government, approximately Rs. 527.68 crore for 2015-16 & Rs. 245.08 crore for backlog of 2014-15 are to be released by Ministry of Social Justice and Empowerment to the State.
- While the State has sanctioned some of this due amount from own funds, the huge overdues means that the Scheduled Castes students are deprived of scholarship on time.
- The SC/BC department of the Punjab has conducted an enquiry on matter and has found that around 1,700 Scheduled Caste students were shown enrolled at two colleges simultaneously. Out of them, 966 were listed as beneficiaries both under the minority quota and the Welfare Department scheme.
- The State government has now started verifying record of various private and government colleges. Though private colleges showed them as drop-outs, around 80 per cent of their scholarship amount had already been claimed. In Bathinda district, 20 students allegedly appeared at two examination centers on the same day and same time.

<sup>10</sup> Nursing diploma courses by Bharat Sevak Samaj

### 8.2.13 State : Tamil Nadu

- Out of 2,84,909 applications for Scholarship, in 2,47,820 cases scholarship has been sanctioned.
- 37,089 cases of Scholarship of 2015-16 are pending.
- Out of these 37,089 pending cases of Scholarship, 29,111 cases were pending for shortage of funds ( including non sanction of scholarship for B.A English through correspondence education)and the remaining cases are pending for want of documents such as Community Certificate, family income, college approval, course affiliation etc.
- Denial of scholarship for last two years to Research Scholars

#### Case studies :

- Non-sanction of scholarship to students of B.Ed Course<sup>11</sup> for 89 SCs during 2011-12, 2012-13 and 2013-14 and in BE Courses.<sup>12</sup>
- Non-sanction of scholarship to 450 SC students<sup>13</sup> during 2015-16.

**8.2.14 UT : Puducherry :** All the 19,477 cases of Scholarship were processed and sanctioned with Scholarship in the year 2015-16 itself.

## 9. Outcome of the cases taken up by NCSC

After intervention of the Commission, in these 551 cases , at least 10413 students in 85 Colleges and in 20 Institutes have received their due scholarship & tuition fee reimbursement of Rs. 24,90,90,592/-.

## 10. Recommendations

### 10.1 Implementing and streamlining of online systems:

- The State Governments are advised to make the process of applying for the scholarships, scrutiny, sanction and payment online as in the case of Andhra Pradesh , Karnataka , Telengana , UP, MP and Chattisgarh.

---

<sup>11</sup> in Sri Rajarajeshwari Educational College, Vellore District

<sup>12</sup> in Anna Engineering College, Ka.Kuppam, Villupuram

<sup>13</sup> of Avinashilingam University, Coimbatore

- The Governments are advised to improve their online Scholarship/Tuition fee application system by incorporating timely reminders to the institutions which have not uploaded data or uploaded incomplete data and including further checks to balances in the system to ensure complete data entry to ensure timely & accurate data feeding so that Scheduled Castes students do not suffer.
- After admission of the students, the college/ institutes /District level officers dealing with scholarships may ensure that all these student's applications are be checked / verified before uploading the data so that their applications are not rejected.
- There should be inbuilt system of warnings/ reminders to ensure rectifications/ corrections in time for any shortcomings in the applications.,.
- There can be a provision of SMS alerts to the stake holders such as Institutions and students at various stages of processing which can highlight, for timely rectification any minor shortcomings found in the applications.
- Online system should incorporate a provision for issue of reminders to to all such Institutions which have not uploaded the data in time. These reminders should be issued at least 15 days prior to closing date.
- The list of students may be generated /uploaded and sent to the concerned Institutes for time bound rectification.

### **10.2 Rectification of cases with minor errors / rejected cases**

- The cases rejected by the District Scholarship Committees may be cross checked on a test basis for cases where minor rectifications/verifications are needed so that the scholarships may be released if found as per rules after scrutiny.
- Due to error in bank IFSC code or wrong account number the scholarship were not released in many cases. In such cases, the account no./IFSC code may be confirmed from the students and the institutions at the end of the scholarship release time frame so that the scholarship may be released after grant of one time exemption.

### **10.3 Tracking of status**

- There can be an inbuilt system where the students / institutions can view/track the status of their own application with Temporary ID/Permanent ID / Aadhar number / Bank account number in the system.

- Setting up of a toll free phone number , as in case of Bihar, for any information/queries relating to scholarship can be considered by other State Governments .

#### **10.4 Exemptions till stablization of online system:**

- A large number of students have not received their scholarships due to the switch to online system and the teething troubles therein.
- Since the students are suffering despite there being no fault of theirs, to mitigate their suffering a one time relaxation may be provided by State Governments to all the SC students whose data are not uploaded after completing filling the forms for tuition fee and scholarship through their educational institutions.
- If needed, more demand of grants may be made to the Ministry of Social Justice & Empowerment, Government of India so that payments of Scholarship could be made to the SC students.
- A method to cover students left out of the online process due to some unforeseen reasons by an offline method can be developed as in case of Chattisgarh.

#### **10.5 Awareness workshops**

- The example of Tripura where several awareness / workshops with all the involved users have been held in a phased manner and time was extended for uploading/verification etc. can be followed in other States .

#### **10.6 Facilitating Zero fee admissions**

- The State Governments may ensure that all the SC students as per their eligibility may get the admission in the colleges/institutes on '*zero fee*' basis. Necessary instructions may be issued to all the Colleges and Institutions and the fee may be reimbursed directly to the institutions by the Social Welfare departments of the States.
- Rates of fee reimbursement should be at par with the rates of the fee in States where the students are studying.
- Issue of *freeship cards* like in Gujarat<sup>14</sup> can be implemented by other states in order to help the students get admission of '*zero fee*' basis.

---

<sup>14</sup> Details of application form and copy of sample freeship card is at Annexure -

- In case of delay in fee reimbursement by the Social Welfare departments of the States , the Institutions should be given instructions that SC students are allowed to give exams and not be deprived of their marksheets and degrees so that they can apply for higher studies and careers.

### **10.7 Review of status by departments concerned and grievance redressal modalities**

- The physical verification of students / Institutions as carried out by some State Governments<sup>15</sup> is taking a long time , with the genuine , needy students being deprived of timely scholarships. The process needs to be streamlined and completed in a time bound manner. There should be high level review of the process on a weekly basis.
- There should be State level / Division level grievance redressal Committee(s), with members of the Social welfare department , some heads of Institutions , teacher / student representatives and representatives of one or two prominent NGOs working in sphere of education to examine the grievances of the students in a specified time frame and suggest solutions.
- **Non receipt / non release of the Scholarship amount from Government of India :** There are a large number of cases where the scholarships have not been released due to non receipt / non release of the Scholarship amount from Government of India. To avoid such situations the Central and State Governments should develop a monthly / quarterly review mechanism to sort out problems so that smooth release is facilitated and students do not suffer.

### **10.8 Adopting best practices of some States:**

- Chattisgarh has developed a method to cover students that are left out of the online process by an offline method.
- Tripura has organized several awareness / workshops with all the involved users have been done in phased manner and time was extended for uploading/verification etc.
- Gujarat provides a Free ship card to SC students for facilitation of admission on 'zero fee' basis.

---

<sup>15</sup> eg : Bihar

- Bihar has set up a toll free number for any information/queries relating to scholarship.
- Telengana and Karnataka have special schemes for providing overseas scholarships for SC students.

The Commission recommends other State Governments also consider adopting these best practices in their States.

**Note on Free-ship Card for Scheduled Castes Students**

The scheme aims at recognizing and promoting quality education amongst students belonging to Scheduled Castes by providing full financial support.

Under the scheme Free-ship card is provided to the Scheduled Castes students who have been enrolled in self-finance institutions affiliated with university and recognized by the Education Deptt. The eligibility criteria for availing benefit of the scheme remains the same as the criteria Post Metric Scholarship Scheme of Govt. of India. Self-finance Institutions falling under the jurisdiction of State Education Deptt. are instructed to give admission to those Scheduled Castes students who produce Free-ship card / guarantee provided to them by the concerned District Deputy Director (SCW). The terms and conditions for the scheme is as follow:

- 1] Scheduled Castes students whose parent's income is Rs.2.50 lakh or less then Rs.2.50 lakh are eligible to avail the benefit of the scheme.
- 2] The District Officer should issue Free-ship card after ensuring that the eligibility criteria set for the Free-ship card under Post Metric Scholarship Scheme are met.
